- Plant & Equipment

**This Certificate is only valid if the Company named is listed on the LCA website  
"Directory of Companies"**

The Code of Conduct requires that service providers establish an appropriate management system for the provision of services associated with the control of legionella. A valid certificate is an indication of the registrant's commitment to comply with the Service Provider Commitments of the Code and should not be taken as proof of compliance. The Legionella Control Association does not approve specific products or services as being effective in controlling legionella or assess the competence of individual service provider employees. To find out more about using the Code of Conduct to help select a suitable service provider refer to the **Buyers Guide** on the LCA website [www.legionella-conduct.co.uk/guide.htm](http://www.legionella-conduct.co.uk/guide.htm)

Signed:

Chairman, Executive Committee

Certificate Secretary
